For information on other brands that you may be considering, please contact Bret McKneelen by telephone, (217) 558-1744, or by email, Bret.McKneelen@illinois.gov. They are available on an as-per-case basis and are subject to approval and appropriate charges.

How Can You Help?

- Request unused or under-utilized software be removed so that it can be installed for other users without additional costs.
- Allow for software order approval and installation lead-time in your planning.
- Safeguard the CMS/BCCS-owned assets and assist with annual inventory reconciliation.
